

We invite you to **The 1st World Ambulatory Surgery Day,**

on 30th September, 2025.

A day to commemorate the birthday of Prof. James Nicoll,
Father of Ambulatory Surgery, along with the 30th
Anniversary of the formation of The International
Association for Ambulatory Surgery.

This special Webinar will give us an insight on the
creation of IAAS, by none other than the Past Presidents
and other dignitaries, closely associated with it,
by sharing their experience with us.

Join us, in this historic program, and be a part
of IAAS. Registration is Free but Mandatory.

Registration
